About Villa Maria

Established in 1907, Villa Maria is a values-based, not-for-profit organisation providing quality services and life enhancing opportunities for older people and people with a disability.

Services offered by Villa Maria range from specialist education and early childhood intervention for children with disabilities or developmental delays, to community based and in-home support services for older people and people with a disability, carer support and respite options and residential aged care.

We need your support as a player or sponsor to create a brighter future for young people with a disability.

Villa Maria will host its second annual Charity Golf Day at Southern Golf Club, Keysborough on Monday 25 October 2010.

We invite you to enjoy a day of Ambrose golf at one of Victoria's premier golf courses to help raise much-needed funds for two very important programs to support young people with a disability and their families.

Proceeds from the Villa Maria 2010 Charity Golf Day will go towards:

- Villa Maria's 'my future my choice' initiative at Austin Street, Alphington – a brand new, purpose-specific home for young people with complex care needs (including Acquired Brain Injury) who would otherwise be living in an aged care nursing home; and
- Villa Maria's children's respite services, which provide safe, fun and enjoyable experiences for children with a disability aged 6 to 18 and support for their families.

Over \$56,000 was raised at last year's inaugural event to aid in the construction of Austin Street, and this year we're aiming to raise \$70,000. To reach this goal we need your support, as a player or a sponsor, to help Villa Maria create a brighter future for young people with a disability and their families.

You don't have to be a pro to play

The Ambrose tournament (or best shot) enables golfers of all standards to participate. Playing in a team of four, your team selects the better positioned ball from the tee to the green and plays from that point. Every player then plays their second shot from within a club length of where the best shot has come to rest, and the procedure is repeated until the hole is finished.....no pressure, just teamwork and a lot of fun!

And for players who like a bit of competition, there are individual and team prizes to be won including the winning Ambrose Team, nearest the pin, 'Beat the Pro' and special competition holes.

Sponsorship and support opportunities

The Villa Maria Charity Golf Day is a great way to network with customers, showcase your company's services or products and promote your commitment to community development.

A range of sponsorship and support opportunities are available.
