

Driver/Excursion Support

BERWICK

- Like driving and giving people support?
- Want to make a real difference?
- Friendly, patient and interested in others?

Villa Maria is seeking a Volunteer to assist our Avebury House Day Centre in Berwick. The Centre provides innovative activities in a safe and nurturing environment for older people, some with dementia.

Avebury House enhances the lives of our clients through a diverse range of activities including social outings.

We currently require an active volunteer to drive a ten-seater minibus and join us on these fun outings.

A friendly and positive approach, sensitivity plus an endorsed driver's licence are required. Volunteers with 1 day per week or fortnight free would be ideal. The hours would be 9.30am - 2.30pm approximately.

Full training, induction and support are provided plus the opportunity to join a vibrant volunteering community.

For more information please call Bron Summers T: (03) 9855 7659
